## HPDE INSURANCE

We protect you where you need it most—the track. As you may know, finding the coverage you need to protect your car during HPDE events can be really challenging. The vast majority of auto insurers have changed their policies to exclude coverage for these types of events.

We know what you need when it comes to HPDE insurance, because we're enthusiasts too. Get the coverage you need to protect yourself during HPDE events—we offer both single-event and multi-event annual policies, so you can choose the type of policy that fits your HPDE activity.

Plus, it's easy to get coverage. Go online to get an instant premium indication and purchase your policy, all in a matter of minutes!

**SINGLE-EVENT POLICIES:** We offer single-event policies that protect your vehicle while you are participating in an HPDE event. These policies are a great solution if you participate in five events or less per year.

**MULTI-EVENT POLICIES:** For enthusiasts more active in the hobby, we offer annual policy options that provide coverage at a discounted rate for multiple events in a year. Choose a package that matches your level of activity in HPDE events.
